

“Let us rise up and build. Then they set their hands to do this good work.” Nehemiah 2:18

BUILDING
future
LEADERS

**Building today . . . for the
future leaders of tomorrow.**

BUILDING *future* LEADERS

The goal of the Building Future Leaders capital campaign is to raise funds for the construction of the new facility, which will have capacity for up to 750 students. Phase 1 of the design includes new administrative offices, a library, media tech center, science labs, art and music rooms, and classrooms for Early Childhood, Elementary, and Secondary students.

Join us in building the future of Round Rock Christian Academy by underwriting the construction of one of the major focal points of the new campus. Donors for each of these areas will be prominently recognized in the new facility.

All funds donated through the RRCA Building Campaign are tax deductible, will be kept separate from general operating funds, and will be used for the purpose of expanding campus facilities at Round Rock Christian Academy. Payments for pledges of \$10,000 or more can be made over 2 tax years.

Please contact Julie Grosser for more detailed information.
