*Bible: The publishers of the NIV Bible have released the 2011 version of the NIV that is gender neutral in some instances. We strongly prefer that students do not use this 2011 NIV version. Bring an inexpensive copy of the older NIV, ESV, NASB or the King James. The Bible teachers will be providing students with the correct version for Bible memory purposes.

***Please note that additional supplies will need to be purchased as consumed throughout the year.*
